Behavior and Philosophy articles
accepted for publication will be added to
this section as soon as the copy editing
process has been completed, and updates
to this page will occur frequently, thereby almost eliminating the waiting period customary for
publication in most peer-reviewed journals. At the end of each calendar year, a printed and bound copy
of Behavior and Philosophy will be sent to all subscribers. Although access to online articles will be free
for a limited time, the journal is supported by subscriptions. You are encouraged to subscribe to
Behavior and Philosophy to receive the printed version along with your access to this electronic edition
of the journal.
