Behavior and Philosophy articles accepted for publication will be added to this section as soon as the copy editing process has been completed, and updates to this page will occur frequently, thereby almost eliminating the waiting period customary for publication in most peer-reviewed journals. At the end of each calendar year, a printed and bound copy of Behavior and Philosophy will be sent to all subscribers. Although access to online articles will be free for a limited time, the journal is supported by subscriptions. You are encouraged to subscribe to Behavior and Philosophy to receive the printed version along with your access to this electronic edition of the journal.
